Oregonians do not need, more can we bear any more taxes. When our families and business face fiscal challenges, we look at our budget and plan accordingly. We cut the extra, not the necessities. We live within our means.

ODOT needs to do the same. Tear apart the budget, get rid of the fluff, the DEI, over budget projects and focus on what it was created for; safe roads for ALL Oregonians. No more bail outs! Audits should be conducted by non interested, qualified persons.

The governor should absolutely not be given the power to over see ODOT or raise taxes without voter consent.

No more taxes!!!
