Committee:	Joint Interim Committee On Transportation Funding
Measure, Appointment or Topic:	LC 2

I live in Salem and enough is enough! Please do not raise fees or taxes any more. I don't want to leave Oregon, I was born and lived my whole life here, but you are making it unaffordable. Please do your jobs and dismiss this horrible money grab! Our fees and fuel costs are high enough! You can find the money elsewhere, like do away with DEI programs and stop suing President Trump and you would have the money you need! Please vote NO in this special session!
