"I live in Cottage Grove, and I am deeply concerned about the transportation tax bill. Families like mine are already stretched thin. Any additional taxes and fees would make daily life unaffordable. Like my family has had to, ODOT must also tighten its belt. ODOT should refocus their spending and prioritize keeping Oregonians safe on the road. Please consider alternatives that don't financially punish Oregonians." Also if you wouldn't go against laws that the President of The United States has put forth Oregon would still be getting help from the federal Government. But no you have to defy the President every step. WE THE PEOPLE. DO NOT WANT THIS!
