Funding

Measure, Appointment or
Topic: LC 2

Dear Governor Kotec,

I just took the time to write a very good letter expressing severe opposition to your
Transportation

Bill abd increased taxes and fees. The website isn't working and the Error...sorry
came up.

I vehemently am.opposed to the peoples of Oregon having to.pay for any shortfalls of
ODOT and Transportation Dept. These taxes will destroy our economies of our
towns.

Respectfully,

Marylou Kuehn
