No more taxes!

No means NO.

I'm a union worker and looking to retirement soon and my paycheck barely covers all my bills in this state! I have to budget every cent I earn, you should as well!

I'm looking into moving to another state because of the cost of living here. I simply cannot afford to retire here. And you want to add more?

And hands off our Kicker!

Stop ruining the quality of living here in this state!
