Funding

Measure, Appointment or
Topic: LC 2

I am a registered voter in Klamath County. I expect my voice to be heard, my (this) testimony read at the meeting with Our Governor about these insane tax increases.h

I oppose state income tax increases

I oppose state ODOT increase of citizen's fees ie for driver licenses, vehicle registration and license.

I oppose state Increase of fuel tax.

As a life time resident of Oregon in Klamath County I oppose ANY state or city employees receiving anymore than 150k annual wage. This includes any non elected employees of any state or city agencies.

We oppose paying for any of the Interstate5 corridor cities for their infrastructure. All that funding needs to come from those living there.

The Klamath County voters benefit nothing from bus service in Portland, Eugene, or Salem. Let the cities pay for their own services. I oppose being taxed for bus lanes, new electric busses and support stations

I oppose the state of Oregon being a sanctuary for illegal aliens, I oppose any support of illegal aliens other than helping them self deport. Then they can re-enter legal.

I oppose any Oregon State or City; Police, Sheriff, or Security acting in opposition of ICE, FBI or immigration agents removal of illegals. If we have to arrest and deported then they will not be able to enter ever again.

I so expect Oregon State get some moral and ethical strength to clean up their Cities' homeless problems such what the Feds are doing in WDC. Follow the Federal guidelines.

Oregon we can become part of the solution or part of the problem, in making the USA Great.
