This tax hike will do nothing for the citizens of Oregon. We have already showed how we disapprove of this tax. Why keep trying to hurt hard working citizens. People are struggling, businesses are fleeing, do something positive for the people, help them make life better, not put them into poverty. Listen to the People, NO MORE TAX! We all know you want to line your pockets with this tax, We The People will have our say at the voting booth, one way or another.
