Dear congress,

Why are we raising taxes again? My family has to work off a budget, we dont have the privilege of just "getting more money". You need to cut in other programs and figure this out. We spend so much money on things that the government shouldnt be doing and not taking care of the basics. Stop waisting our money and do the basics. Be good stewards of the money you are supposed steward. The government makes \$0, it can only use what it can take from us. Be better
