Committee: Joint Interim Committee On Transportation
Funding

Measure, Appointment or
Topic: LC 2

We are overburdened by taxes and we cannot sustain yet another. Funds need to be allocated appropriately and with respect to the taxpayers who provide these funds. Please make sure you use the more than adequate funding to preserve vital jobs and get rid of all the unnecessary layers of self serving bureaucracy. Serve the tax paying citizens of this state, we are your constituency.
Thank you for your service
