The special session is not about saving jobs! It is about raising fees and taxes. It is about a .12 raise in the gas tax. As someone on a fixed income, I can't afford that, and neither can most Oregonians! Tina wants to double the employment tax, and she wants to be able to tie tax and fee increases to the inflation rate, which will rise automatically NO AND HELL NO!

Tina wanted \$15 billion for ODOT and she lost. Then she wanted \$11 billion, and she lost! Now she wants to weasel out \$5 billion, Hell No, she'll lose again! We will Fight! Fight! Fight!

Governor Kotek is lying, its not .06 raise in the gas tax but .12. What a weasel!
