

Submitter: Don Denning Denning

On Behalf Of:

Committee: Joint Interim Committee On Transportation
Funding

Measure, Appointment or LC 2
Topic:

I am in opposition to any proposed tax increases of any kind regarding this special session. Our legislators spoke for us the first time. Everyone knows Oregon and ODOT has mismanaged funding leading up to this.

I am in favor of a thorough audit of ODOT but no additional taxes to bolster their incompetence.

Sincerely,

Don Denning
Bend, OR
