As an OREGON resident since 1945 I oppose any actions taken by the current criminal governor and fellow supporters ,your agenda to continue damnation of OREGON NEEDS TO STOP NOW !! I oppose any action to raise taxes and add any other illegal costs---I am one of many who object to these criminal actions taken by the democrat liberals in the state government ! I will say again---NO NO NO to any actions that are taken to invoke any socialist inclined actions !!

**Suggest you do an audit with all departments within OREGON government.
