To whom it may concern,

I am pleading on behalf of myself, my family and all Oregonians for the state to stop implementing more taxes and higher costs of living. We are already taxed too highly and those taxes are completely being mismanaged. Every time we turn around, there is a new tax or increased cost of something, if not everything. Oregonians cannot afford any more!

Please stop this incompetence and flat out greed from the government who is supposed to be looking out for us... Not, be the ones hurting us and taxing us into poverty!
