Committee: Joint Interim Committee On Transportation
Funding

Measure, Appointment or
Topic: LC 2

I do not consent!

We're finally talking, meeting, organizing. We are aware of the corruption and money laundering. We are seeking out people to run for the seats of all legislators who vote against our will. We will replace every one of you who vote to increase or add, fees, tolls, taxes or restrictions of any kind.

Don't make this session a tea in the harbor
