

Submitter:	Joseph Lehman
On Behalf Of:	Self
Committee:	Joint Interim Committee On Transportation Funding
Measure, Appointment or Topic:	LC 2

I object to this increase on the Oregon state gas tax. I Joseph Lehman of Lebanon, OR oppose this in the highest manner. Please stop the squeeze of working class Americans bank accounts. Every single one of you holding state elected offices campaigned on the promise to fight inflation and lower costs for everyday Oregonians. This does the exact opposite of everything each and everyone of you campaigned on.

Thank you for you consideration.
