

Submitter: Nancy Reed

On Behalf Of:

Committee: Joint Interim Committee On Transportation
Funding

Measure, Appointment or
Topic: LC 2

Please use the current taxes and fees to improve our roads and bridges. It feels like the funds are used for everything but the primary purpose they are designated to be used. You are factually driving away businesses and families with the choices you have been making. We all strongly oppose more taxes. Do the right thing with the funds you have to improve the lives of Oregon citizens, not illegal immigrants!
