| Measure, Appointment or Topic: | LC 2 |

I wholeheartedly support the key elements of the governor's transportation funding proposal:

- Gas tax increase of 6¢ per gallon
- Registration fee increase
- Title fee increase
- Payroll tax increase from 0.1% to 0.2%
- Road Usage Charge phased in for EVs & hybrids
- Accountability measures for ODOT

We ESPECIALLY need increased funding for public transit and road/bridge maintenance.
