It is time to stop the madness in Oregon. Oregonians cannot afford to pay higher taxes! Oregon politicians have already made it nearly impossible to survive in this state!

Your failure to demand ALL state agencies be fiscally responsible, produce acceptable outcomes, and achieve acceptable performance standards is a problem that we as citizens of Oregon are no longer willing to accept. You were elected into your positions by the people—for the people. It's time you start doing just that! The people, those of us who are hard working, tax paying, responsible members of society demand that you step up and "manage" this state accordingly. No more mismanagement of agencies should be tolerated. Utilization of state resources; lottery funds, marijuana tax, etc., needs to be properly disbursed to fund gaps. STOP holding us accountable for the incompetence and corruption of Oregons governing body and state agencies.

Do YOUR job.
