To Whom It May Concern,

My name is Dale Neill. I am a resident of Bend Oregon and have lived on my 20acre farm for 31 years. As a land owner in Oregon we are taxed to the hilt as it is. As a farm owner fuel is a big expense all ready. Raising Taxes will run MORE people out of Oregon due to not being able to make ends meet. If you run more tax paying people out of Oregon you LOSE not gain taxes.

The insanity needs to Stop. Learn to appropriate your current funds correctly and stop the insane projects. We need to survive out here and you need to learn to budget just like WE have to.

NO MORE TAX!

Signed,  
Dale A Neill
