Funding

Measure, Appointment or  
Topic: LC 2

I have lived my whole life (61 years) as a proud Oregonian. This proposed bill worries me. I would like our Governor to step-back and take a different path. Taxes are suppose to be voted on by Oregonians. Oregon is already a heavily taxed state. Please don't add more onto our plate. Most of my family lives paycheck to paycheck. This will be a great burden to them.
