I live in Tualatin. I Was born in Portland in 1953, raised in Salem, went to College in Monmouth and Law School in Portland. I am deeply concerned about the transportation tax bill. Families like mine are already stretched thin. Any additional taxes and fees would make daily life unaffordable. Like my family has had to, ODOT must also tighten its belt. ODOT should refocus their spending and prioritize keeping Oregonians safe on the road. Please consider alternatives that don't financially punish Oregonians or force relocation to a state with a responsible and sane government. Your action now will surely be a pivotal moment in Oregons history and lead either to its demise or restoration of its once greatness. No More Taxes !
