

Submitter: jean petersen

On Behalf Of:

Committee: Joint Interim Committee On Transportation  
Funding

Measure, Appointment or LC 2  
Topic:

Stop taxing us. We have reached the max that we can be taxed. I am retired on fixed income. You are killing me. Make ODOT be accountable for the money. Use the money only for roadworks. Am sick of seeing sponsored by ODOT when it has absolutely nothing to do with roads.
