Taxing the citizens of Oregon is not going to fix the problem. We are already being taxed enough and the money is going elsewhere than where it is needed.

How about opening up more land to log timber, which is our biggest money maker. It supports everything from roads to medical care. Schools also.

Having a special session just to raise taxes is a Communist way of government overreach.

Our roads are a joke. By raising our taxes just to keep ODOT operating isn't going to fix our roads one damn bit!

I oppose this radical left,old white hippie way of rewarding handouts by having hardworking patriots pay for it.
