No new taxes

My family can't afford any more taxes! We finally get to a place where we aren't bobbing to stay afloat, then here comes another tax to push us back under.

Ya know, if you would hold people accountable, and oversee that they are managing the budget given to them, you wouldn't need us to give MORE money. You are smart people, figure it out, don't take our hard-earned dollars. NO NEW TAXES!!!!
