

Submitter:	Andriea Oshel
On Behalf Of:	Oregon citizens
Committee:	Joint Interim Committee On Transportation Funding
Measure, Appointment or Topic:	LC 2

Oregonians can NOT afford this! People cant afford to register their vehicles now. Increasing taxes will make it so people can not afford to drive! There has to be another way to fill the gap! All these taxes and increased fees are only making it harder for people to live in Oregon! Please stand with Oregonian's and say NO to Tax increases!
