Measure, Appointment or
Topic: LC 2

We own a small Residential Daycare up to 16 kids and Employ 7 people in Coburg. It has been hard to make it with increases in Insurance premiums, the State allowing 2-4 year olds in pre-school , and Payroll taxes. With the proposed increase in Payroll taxes it will create a hardship for Us and we will probably have to close. Please consider the outcome to small businesses as you consider this bill, and don't vote on it.

Thank you
