Dear Governor Kotek,

My name is Patti Ron-VanWormer, and you are a resident of Molalla, Oregon. You are writing today to express opposition to your attempt to raise gas, DMV and payroll taxes to cover ODOT shortfalls. We voted on these issues already and you were clearly given our choice!

You are urged to consider the community's concerns as this policy moves forward. Please quit trying to go behind our backs and take our choice away. You are an elected official not a dictator...

Best Regards,
Patti Ron-VanWormer
