

Submitter: Lisa Lee

On Behalf Of:

Committee: Joint Interim Committee On Transportation
Funding

Measure, Appointment or LC 2
Topic:

Governor Kotek and Oregon Legislators:

Please say "NO" to this proposed transportation package. The last thing Oregonians need is more taxes. The Governor and Legislators need to find the funds for ODOT from within the budget.

Also, Oregonians are vehemently opposed to granting taxing power to any government agency.

Thank you for your time and consideration.

Sincerely:

Lisa Lee
