I live in Tigard, and I am deeply concerned about the transportation tax bill. Families like mine are already stretched thin. We continue to spend more each month than we bring in. Any additional taxes and fees would make daily life unaffordable. We will need to look at leaving OR to move to a more affordable place to live. Like my family has had to, ODOT must also tighten its belt. ODOT should refocus their spending and prioritize keeping Oregonians safe on the road. Please consider alternatives that don't financially punish Oregonians."
