

Submitter: James Williams

On Behalf Of:

Committee: Joint Interim Committee On Transportation  
Funding

Measure, Appointment or  
Topic: LC 2

Please let it be known I oppose every proposed increase in this committee  
Oregonians are already hard pressed to make ends meet & it's about time the State  
learns how to make do with what they have just as most Oregonians have done for  
years now ! No new fees or taxes please .
