Enough is enough!!

We have lived in Oregon for over 35 years and now children are raising their families here. But it is getting more and more difficult to make ends meet. We all strenuously OPPOSE this new tax package. Reckless spending and poor administration has lead the state downwards for years. Show us FIRST that the state can operate efficiently within current budget; cut the waste and manage properly. You're going to drive us out of Oregon if the inefficiency continues.
