NO NEW TAX!!! Do not give the Governor the ability to raise our gas tax anytime she wants!!!! It needs to be put to a vote!!!!!!!!!!!!!! I am totally against giving her this authority!!!!!! I am totally against any new ODOT tax! Oregonians cannot afford it! Nor can we afford higher vehicle registration, higher title transfers, high payroll tax for transit!!!! Oregonians are struggling to pay bills, housing, electric put food on the table and pay to get to work everyday!! They cannot afford the larger burden this will put on them!! NO NEW TAXES!!
