

Submitter: Terry Brooks

On Behalf Of:

Committee: Joint Interim Committee On Transportation
Funding

Measure, Appointment or
Topic: LC 2

We urge all to vote against this transportation bill that allows for unbridled increases in taxes with no public vote.

We cannot afford any more taxes... please vote no and ask for other alternatives to raising taxes without decreasing taxes in other areas.

PLEASE Stand firm for your constituents !

Sincerely,

Terry Brooks

McMinnville, Oregon
