

I am against the proposed tax increases or ANYTHING that Gov Kochek wants to do. We, the people, did not vote to approve tax hikes on gas, property, auto titles, registrations, licenses, payroll transit tax, hire & fire the ODOT Director, and are also opposed to the Gov giving the ODOT Director power to increase any taxes whatsoever.

We are taxed to death in Oregon. Homeowners have had huge property tax increases that are absurd. In addition, money has not been properly disbursed as promised. Just look at our shameful homeless and violent crime issues! Our government needs a complete overhaul in Oregon. Gov Kotek needs to stop sucking hard earned money from the citizens of Oregon.

I vote NO on these proposed tax hikes that Gov Kotek wants to do without the people's VOTE or without legislation approval.
