NO NEW TAXES!!! You guys have taxed us to death! I am your exact demographic low income. Living check to check and barely making it. If any of this passes it will put me in the negative, which I struggle to stay ahead of. So many of us who live here can't afford to pay anything more. DO YOU NOT UNDERSTAND NO MORE TAXES WE CAN'T AFFORD IT! How about you not build a stadium we don't need? If this passes you really won't need it because nobody could afford to go! I repeat NO MORE TAXES!
