We the people are sick and tired of your lies. Pages and pages for 1 bill! Stuff it with  
????...taxes....more control for the govenor. That's not a democratic republic! The  
Boston tea party was about roughly a 2% tax!

Tolls are put in place by TROLLS! We paid for the roads and bridges! ODOT has a  
problem..it's called being represented by a bulling union! SEIU doesn't represent the  
workers! (I won't get started on them here..that would take 17 years of pages!)

It's time WE THE PEOPLE PUT YOU ON NOTICE! Stop the taxes and fees! Nobody  
is bailing out our family businesses...figure out another way to bail ODOT out!
