

Submitter: Joel Bender

On Behalf Of:

Committee: Joint Interim Committee On Transportation  
Funding

Measure, Appointment or  
Topic: LC 2

Our governor should not be controlling ODOT through the hiring process and thus, hiring the ODOT director should not be in the governors control.

Regarding additional gas tax: The current funds collected from gas taxes are not used correctly and this needs correcting before asking (taking) more. Additionally, taxes in Oregon are crushing the working class - they need relief, not more crushing taxation.

Thank you,  
Joel Bender
