Committee: Joint Interim Committee On Transportation
Funding

Measure, Appointment or
Topic: LC 2

Honorable Committee Members,

LC2 is unnecessary and the passing of this Bill would add to the already burdensome taxes on the Oregon citizens. ODOT has proposed a plan that does not increase its budget. It is puzzling why the Governor persists with increasing taxes.

The Governor is failing Oregonians. Please do not perpetuate her failures. Do not pass LC2 out of committee. Vote NO on LC2.
