NO NEW TAXES! We DO NOT APPROVE of any new taxes on the citizens of Oregon. We are being bled dry, and the city and state is to blame for not managing our money well. When you have Communists running our government into the ground, there is no way out. NO NEW TAXES! I cannot afford gas. I cannot afford to live here due to how poorly OR and MultCo are run by commie Democrat/Socialist wackadoodle criminals. As of 2022 we already pay \$0.594/gallon for gas. Yesterday, I paid \$4.299 per gallon; the week before it was \$4.399 a gallon. NO INCREASE IN TITLE FEES. NO INCREASE IN STATEWIDE PAYROLL TRANSIT TAX. NO INCREASE IN GAS TAX. NO EQUITY SHOULD EVER BE INCLUDED IN DECISION-MAKING WHATSOEVER WITHOUT A VOTE BY AND FOR THE PEOPLE. LASTLY, YOU SHOULD NEVER HAVE THE POWER TO HIRE/FIRE ODOT DIRECTOR. If OR doesn't fix this problem with rogue government and fake elections, you will find yourself surrounded by ashes, drug addicts, abused animals, and empty/boarded up buildings. We've already started the process of moving to another state because, after 20 years, OR has gone SO far off the radical leftist cliff, we're done. NO NEW TAXES. NO NEW TAXES. NO NEW TAXES. Do you year that? NO NEW TAXES. GET RID OF DEI IN ALL DECISION-MAKING.
