Measure, Appointment or
Topic: LC 2

I live in Salem. I strongly oppose the transportation tax bill. As a woman living on a fixed income, I am already stretched thin. Any additional taxes and fees would make daily life unaffordable. ODOT must start tightening its belt and implement better, more efficient management . ODOT should refocus their spending and prioritize keeping Oregonians safe on the road. Please consider alternatives that don't financially punish Oregonians.
