I live in Klamath Falls, and I am deeply concerned about the transportation tax bill. Families like mine are already stretched thin. Any additional taxes and fees would make daily life unaffordable. If these taxes are enacted I fear that I will have to sell my house and move my family and business to another state. Just like my family has had to, ODOT must also tighten its belt. ODOT should refocus its spending and prioritize keeping Oregonians safe on the road. Please consider alternatives that don't financially punish Oregonians.
