NO MORE TAXES!!!!!!!

NO MORE FEES !!!!!!!!

Oregon government is a complete fiasco!

All state agencies are run by totally incompetent (so called) leaders!

This should have been seen coming years ago and delt with at that time!

Our governor lays off the people who actually provide the blood, sweat, and tears to maintain the roads Oregonians travel on, and keep the people that incompetence has caused this problem!

Our governor is not only incompetent, but in my view stupid and should be recalled!!!!!!!

I HOPE (because hope is all I have) I have NO CONFIDENCE in our democrat led government to do the RIGHT thing!!!
