

Submitter:	Jill Brandt
On Behalf Of:	No New Taxes
Committee:	Joint Interim Committee On Transportation Funding
Measure, Appointment or Topic:	LC 2

The Republicans put out a plan to fund necessary transportation needs by redirecting funds from unnecessary projects, instead of taxing Oregonians even more than we are already taxed. Also, we drive cars out here in the West. Very few people use or want mass public transit and light rail. I urge all legislators to vote NO on the transportation bill.
