

Submitter:	Wallace Rogers
On Behalf Of:	Wasting Money Because They Can
Committee:	Joint Interim Committee On Transportation Funding
Measure, Appointment or Topic:	LC 2

Vote No. Stop the madness.

ODOT has gone too far. The old ODOT knew how to work within their huge budget.

YOU WILL PAY EVERY DAY FOR THEIR BAD MANAGEMENT.

Innovative proposals to do more with less CAN ONLY HAPPEN IN GOVERNMENT when they THINK they are underfunded. They have plenty of money.

Vote no. The innovative minds will emerge. Right now they are being suppressed by politicians.
