

Submitter: KIM WALLIS

On Behalf Of:

Committee: Joint Interim Committee On Transportation
Funding

Measure, Appointment or LC 2
Topic:

ODOT is a seriously BLOATED agency, and should be cut back to core functions of incident response, driver services, road maintenance and construction. Oregonians are fed up with State agencies and the Legislature's money grabbing. Enough is enough! DO NOT VOTE TO RAISE TAXES AND FEES. You can find the money elsewhere.
