

Submitter: Donald Perman

On Behalf Of:

Committee: Joint Interim Committee On Transportation
Funding

Measure, Appointment or
Topic: LC 2

I have been an Oregonian for over 60 years. ODOT must be transparent to where all our transportations money is going before we increase taxes to fund more projects that the public knows nothing about. Please submit a breakdown of all the funds and where all the funds are being used for the public to see that ODOT is spending our money on road projects that help are traffic issues with the growth of this state. Don
