Fix the roads with the remaining budges and dont ask for more also plate trees is the only way to lower co2. Climate Change Science is never settled

The wildfires are arson, not from climate change: <https://cctruth.org/wildfire/>

Because the high schools teach the fear mongering of the media and UN. Nothing they have said will happen has ever happened.

Trees release terpenes which induce rain.

The high school teach our published high-school textbook and the arson fires will stop.

Climate Change is about Fear mongering and removing people from the earth.
