Joint Transportation Committee:

Let me be straightforward, simple and to the point--NO more tax and fee increases. The people cannot endure any more financial burden. The government must use the monies already in place efficiently, honorably, honestly and responsibly for yhe good of the citizens.

Demonstrate the you are all willing to represent the needs of the citizens. No one I visit with has every said, "I do not think I pay enough taxes".

Thank you, Mark Pease, citizen.
