Funding

Measure, Appointment or  
Topic: LC 2

We will be homeless in about 3 weeks. We need all the money that we earn to help pay for a house. NOT be put in a fund for transportation. I do not mind paying extra for titles and licensing but how dare you make those of us who actually work have to pay more. Those of us who work would like to better our lives and not live off the government. If we have to pay more in taxes then we will not be able to pay for housing, food, health insurance, etc. Please find another way to fund transportation in the state of Oregon.
