Topic: LC 2

I think Oregonians pay enough taxes. Our gas prices are higher than many states because of taxes. Our property taxes are higher than most, too, because of taxes for this and that. I believe ODOT needs to budget and stay within their means, not impose more taxes. A balanced budget is a successful budget. Why burden Oregonians for their misappropriation of funds.

I vote do not raise our taxes.

Thank you,

Carole Aime
